

TRANSFORM 66

Outside the Beltway
MULTIMODAL SOLUTIONS - 495 to HAYMARKET

May 22, 2015

PUBLIC HEARINGS

May 27, 28 and June 2, 3

The Virginia Department of Transportation (VDOT), in partnership with the Department of Rail and Public Transportation (DRPT), will hold Public Hearings on the Tier 2 Draft Environmental Assessment for the I-66 Outside the Beltway Project. The public is invited to review and comment on:

- **The Tier 2 Environmental Assessment**, which evaluates potential effects the proposed improvements would have on air quality, noise, neighborhoods, parks, recreation areas, historic properties, threatened and endangered species habitats, wetlands and streams.
- **Technical Reports** including traffic and transit reports, and a preliminary noise analysis.
- **Updated design concepts**, which reflect revisions on roadway elements and stormwater management ponds to reduce impacts and preserve nearby homes.

Public Hearing Dates and Locations

Four meeting opportunities will be provided. Meeting times are from 5:30 - 9:00 p.m., with a brief presentation at 7:00 p.m., followed by a comment period.

How To Provide Your Input

****Comments must be received by June 18, 2015 to be included in this process.***

Your questions and comments are important to us. You are invited to provide comments concerning the Tier 2 Draft Environmental Assessment, Draft Section 4(f) Evaluation, associated technical reports, and preliminary concept plans provided at the public hearing. Comments received will be considered in making the final decision on a preferred alternative, and will be addressed in a revised Environmental Assessment, which is anticipated to be released at the end of 2015.

How to Provide Your Comments:

AT THE PUBLIC HEARINGS:

- Engage in discussions with project representatives.
- Submit written comments on the comment sheet.
- Provide oral comments during the public comment period following the presentation or individually to the court reporter.

**** If you are not ready to submit your comments tonight, you may submit them by June 18, 2015 as follows:***

Public Information Meetings

VDOT and DRPT will host Public Information Meetings for the Transform 66 Inside the Beltway Project. The project involves converting the existing I-66 High Occupancy Vehicle (HOV) lanes to High Occupancy Toll (HOT) lanes in both directions during morning and afternoon peak travel periods between I-495 (the Capital Beltway) and U.S. Route 29 in Rosslyn, and a series of multimodal improvements that benefit I-66.

Vehicles with three or more people (HOV-3+) will travel the lanes for free during peak hours, while vehicles with fewer than three occupants can choose to pay a toll. Proposed improvements are intended to move more people, enhance connectivity and improve travel reliability on I-66.
