## Opportunities to Learn About Transform 66 Projects

### Public Information Meetings

May 9 and 11, 2016

### I-66 Inside the Beltway - Eastbound Widening

The Virginia Department of Transportation (VDOT) will host public information meetings for the proposed eastbound widening as part of the Transform 66 Inside the Beltway Project.

- The meetings will provide information about the Environmental Assessment (EA) that VDOT is preparing for the widening to comply with the National Environmental Policy Act (NEPA). To inform the EA, VDOT is conducting environmental analyses and coordinating with regulatory agencies to obtain information about environmental resources in the vicinity of the project.
- The plan to widen a four-mile stretch from the Dulles Connector Road to Ballston is a result of a bipartisan agreement announced by Governor Terry McAuliffe on February 10, 2016. The widening will help address an eastbound chokepoint where traffic merges onto I-66 from the Dulles Connector Road.

**Meeting Times: 6:30-8:30 p.m. (Presentation: 7:00 p.m.)**

**Monday, May 9, 2016**
